Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I like to decide how I want to take  
Care of my body. I do not need the  
FDA or any government agency running  
my life. Only a person knows how  
they feel & what they feel is best.  
for them. Please let me and other  
people decide their own care.  
Thanks.
